

Dancing with Authority World Conference

Destination: Bermuda

DWA Conference was created to teach, impart and make aware that dance is a ministry! For many years dance has been placed on the back burner and labeled as space filler for the worship service (a space between the choir and the preached word). However DWA has established that we as ministers of dance are not space fillers but an important part of the entire worship experience!

Dancing With Authority is a conference of excellence . . . DWA teaches, in order to dance with authority, you must live a lifestyle of worship and holiness! We believe that as ministers of dance, we are required to walk out the entire bible; therefore our focus is on ministry, and building the kingdom of God--one dance at a time.

Purpose: To see dance restored back into the church and empowering minister's of dance and worship to represent the kingdom with authority and excellence!

Celebrating 12 years of ministry with Excellence. The Chenaniah Praise Dancers is a group composed of five (5) sisters . . . Ashanti, Toni, Tiffany, Briana and their little sister Acacia. They are the Children of Pastors Anthony and Carla Mays. Ashanti is the choreographer. God uses her to choreograph routines that are prophetic and life changing. This remarkable family began dancing in the den of their home in August of 2000.

The name Chenaniah means 'Strength of the Lord' and 'God has Planted' from 1 Chronicles 15:22. Their name is indicative of their struggle. For, they were birthed out of rejection. At a tender age, the girls learned that 'Their pain was preparation for their destiny.' Ashanti's pain and rejection, fueled her passion for the dance, and she began to download dance routines to her sisters. The group quickly learned that the call of God has nothing to do with how you feel.

Their debut was a service in appreciation of their Youth Pastor in August 2000. It was supposed to be the one and only time they danced. However, God had another plan. Although the girls had no formal training in dance, Chenaniah quickly grew into a full-time ministry. By October 2003 ...Chenaniah was hosting their third Gospel Extravaganza. In August 2012, Chenaniah hosted their 9th Annual Dance & Worship Conference "Dancing with Authority" and the DWA Awards Show. Chenaniah began their 3rd DWA Intensive Conference Tour in June 2012. The girls Co-produce their TV Show "It's Time to Dance".

Chenaniah has danced nationally and internationally at 100's of events, conferences and churches. Today the girls can be seen ministering with some of the greatest gospel artists,

speakers and leaders of our time. Such as: Dr. Morris Cerullo, Bishop John Francis, Donnie McClurkin, Dr. Cindy Trimm, CeCe Winans & Always Sisters Conference,
The Girls are powerful speakers and ministers of the Gospel and have been featured on TBN, BET, PAX TV, and The Word Network. Chenaniah has also been featured in several articles with the Palm Beach Post, Washington Post, Gospel Today Magazine, Saved Magazine, Gospelcity.com and the Worldwide Web.

Chenaniah is Anointed and Sanctified by God to destroy yokes and to set the captives free. They minister with Passion, Power and Synchronized movements to an audience of one - GOD! The girls believe that all of their Dances are given by Revelation and not just interpretation.

As Chenaniah ministers, you are invited into their personal worship. After you enter in, "you will never hear the song the same again".
