KSC Motto: A Way of Life...Not a Weekly Event

A Word from our Directors:

Dear Saints and Friends,

Thanks so much for your continued support of KSC. I would especially like to thank the team that lead out a very successful VBS this summer while both Sis. Val and I were away. That lead team included Sis. Donna-Mae Hinds, Sis. Karen Blankendal and Sis. Alana Rogers. Sisters, may God continue to bless you! I would also like to thank all of those who donated time, money and supplies for VBS, and also those who continue to support our weekly KSC sessions at both 9 a.m. and 11 a.m. Your giving is not in vain!

The 9 a.m. Sunday School sessions continue to be informative, interactive and relevant. Over the past couple of months, the children and adults have focused on: Taking charge of their - day-to-day habits, emotions, attitudes & examples, Outcasts Jesus Encountered, the Creation of the World, People & the Family and God Confronts Sin. We invite you to come and join a class, as we do have them for all ages!

Moving forward, Christmas will be here before we know it! We are looking forward to having a couple of events before we break for our Christmas break, including our bowling event that we started last year. Look out for further information.

Blessings to you!
Sis. Holly

Greetings Saints,

In September, the 11:00am. KSC Ministry started an exciting new series, "13 Very Big Mistakes People Made and What God Did About Them". Our goal is to help our children discover the faith-building, life changing truths tucked into the stories of the very big mistakes people made and what God did about them. They will see how Adam and Eve, Jonah, King Saul, and others stepped away from God and straight into big trouble. Along the way our children will be challenged to never step away from God and will grow in their certainty that God loves them --- no matter what!

Our prayer is that the seeds from these lessons will germinate in our children's hearts and minds and bring forth much good fruit. If you would like to be a part of this exciting series, we invite you to join one of our teams as we deliver these lessons to our children. God will richly bless you for this sacrifice of your time.

Looking forward to hearing from you!

Peace and Blessings,
Sis. Val

Go therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost. Teaching them to observe all things whatsoever I have commanded you... *Matthew 28:19-20.*

Netball Team Wins Series with Undefeated Record

Coriah Simmons

The Bermuda Under 21 National Team made a tremendous showing at the USA Netball Under 21 International Development Series in Florida, defeating the USA and Canada four times to finish as the tournament winners with an undefeated record. On the last day, Bermuda took on the USA, which was the most physical game of the series. Bermuda had to work hard for every goal, using their speed and agility, and the team's fitness was a key component which led them to victory yet again. They ended up defeating USA 42-26, getting 25 goals. This was their fourth win of the series, following after their two victories over Canada [33-24 and 39-24] and their first match against the USA, in which they recorded a 45-27 victory. Bermuda won the tournament, with Canada placing second, and the United States finishing third.

Knowledge is power: During the Summer the BNA national programme coaches and players Chaquita Simmons, **Coriah Simmons**, Selah Tuzo and Anthony Mouchette participated in an umpire and coaching seminar in Barbados. Bermuda netball players and coaches Chaquita Simmons, Anthony Mouchette, **Coriah Simmons** and Selah Tuzo have successfully completed an umpire and coaching seminar in Barbados. The Americas Federation of Netball Association Regional Netball Umpire and Coaches Seminar was sanctioned by the International Netball Federation. It consisted of theoretical and practical segments. Simmons and Tuzo are members of the under-16 Bermuda squad and have been pegged as future leaders. "These are exciting times for netball and we would like to thank all participants for being such great ambassadors for Bermuda and the sport of Netball," Kimale Evans, the BNA president, said.

Also, in addition to **Coriah's** sports achievements, she is excelling academically. She has maintained honors over the past three semesters at the Berkeley and has received the most outstanding attacker award with her under 16 netball team, North village community club.

Volunteers Needed

KSC is in need of Teachers. Please consider using your gifts at KSC in any of these areas: **teachers, teachers' helpers, worship leaders, kitchen staff and food donations.**

For 9:00 a.m. - Teachers minister every Sunday.

For 11:00 a.m. - Teachers minister during service one Sunday a month.

For worship leaders and kitchen staff - during 11:00 a.m. service one Sunday a month.

If teens would like to volunteer, during 11:00 a.m. service, to assist in the kitchen or in the classroom, please contact Sis Val. Parents are required to sign them up.

Note to Parents: if your teen is not serving, they are expected to be in the main service in the Chapel of the Anointing. We are asking your diligence in ensuring your child is not wandering around the church. Thank you.
